Re: 5001 North Clark Street

Dear Mr. Bailey:

In response to your recent request, please be advised that the subject property is zoned C1-2, Neighborhood Commercial District. You are requesting confirmation that a cannabis transporter organization grower may operate at this location, without the storage of any products.

Pursuant to Sections 17-3-0207-KK and WW, of the Chicago Municipal Code, your proposed cannabis transporter use, which is generally classified as potentially containing office space along with warehousing, wholesaling and freight movement, is permitted by-right. However, pursuant to Section 17-4-0207-AAA.4, a cannabis craft grower is not permitted.

Sincerely,

Patrick Murphey
Zoning Administrator
Bureau of Zoning
